FAMILY SERIES

A striking and stylish series with integrated handles designed with a minimalist and contemporary look. Straight lines, wide-use drawers and acrylic lacquered surfaces bring together a pure and clean design. This modern style creates the perfect option for capturing a visual appeal in a minimum of space.

ROYAL S E R I E S

The Royal Series, which captures current design trends and integrates the linear design lines of modern times with many colors and models, has an approach that prioritizes function with aesthetic concern. The bathroom cabinets in the Modern Series, with their large storage areas, up-to-date color series and linear details, provide the opportunity to create sparkling spaces.

TOLEDO

S E R I E S

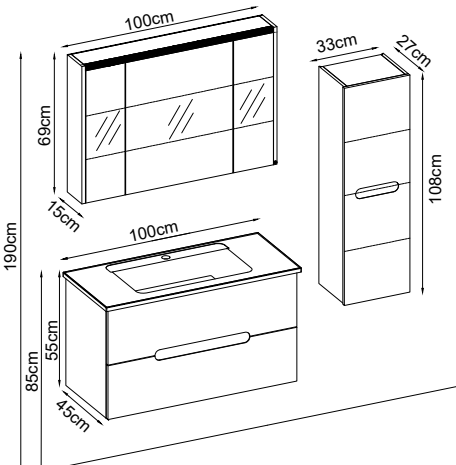

Toledo Series is created as a new interpretation of classical forms for your bathrooms with its self-handled white lacquered covers and wooden detailed bodies. Products that increase storage areas with their complementary upper cabinets purify them from classical lines with integrated washbasins and color options.

WOODLINE

S E R I E S

The rectangular line in the Woodline Series design stands out with the combination of acrylic lacquer in different tones and wooden handles. While the integrated acrímer sinks used to provide a hygienic appearance in the bathrooms, the upper cabinets with complementary led detail maximize the storage space.

A high-angle photograph of a modern, white rectangular pedestal sink. The sink is set against a light brown, textured wall. On the countertop behind the sink, there are two black bottles with white labels. The sink has a chrome faucet and a circular drain. The pedestal base is white and rectangular.
