EBAN

A modern kitchen interior featuring a dark, minimalist design. A central island with a dark countertop is surrounded by two high stools with light-colored upholstered seats and dark, textured wooden legs. The island has a built-in oven and a large, cylindrical stainless steel range hood above it. The background shows dark cabinetry and open shelving with glassware. A large window on the right side of the image offers a view of a snowy forest. The floor is covered in large, light-colored marble tiles with a subtle pattern. The overall atmosphere is clean and sophisticated.

A modern interior space featuring a large, light-colored marble floor with prominent veining. In the foreground, a dark, round, low-profile coffee table with a reflective top and a geometric base holds a magazine and a small object. To the left, a dark, tufted sofa with several pillows is positioned against a dark, paneled wall. A small potted plant sits on a white pedestal next to the sofa. To the right, a dark, curved armchair is placed near a tall, thin floor lamp with three adjustable, dark, spherical shades. A large window in the background offers a view of a snowy mountain range under a cloudy sky. The overall aesthetic is minimalist and sophisticated.
